The IASW Master policy for Fitness to Practise includes a certificate of insurance that each member will receive individually from our insurance provider, Glennon Insurance.

The IASW is offering a superior insurance coverage, summarised as follows –

- The IASW policy is a legal contract that is binding and enforceable in a court of law, the same as any other insurance policy.
- We specify the amount the insurance provider is prepared to make available to a member to defend a FTP situation.
- The IASW policy is per member on an individual basis. Most importantly each member has a ring fenced legal expenses limit of €250,000 that is unique to them and is not being provided on a discretionary basis.
- IASW insurers are also very experienced in this area both here in Ireland and in the UK.
